

# Mary's Importance to Us

reminds us that Mary is the **Mother** of God's only Son, Jesus, who came to show us how much God loves and cares for us.

reminds us that our loving **A**ctions show people we are followers of Jesus.

reminds us to **R**espect others (*show love in words and deeds*), as Jesus asks us to do.

reminds us that we should be like Mary and say **Y**es to God in our life. We learn about God's plan by:

- listening to our parents and teachers;
- studying and learning in school;
- singing and praising God in church;
- listening to God speak to us quietly in our heart.

**Activity:** Color the letters and flowers.
