Finished craft sample

Don't be a dud spud!

Let prayer add some SENSE
to your life:

God be in my EYES so I see
good choices.

God be in my EARS so I hear
the word of God.

God be in my HEART so I share
His love with others.

God be in my HANDS so I do
Jesus' work on earth.

God be in my FEET so I will follow
Him all my life.
