

Pentecost Mobile

The Holy Spirit with us.

The spirit of Pentecost is all around us. Even though we cannot see it, we can feel it in the love we have for one another. The presence of the wind can be compared to that of the Holy Spirit. We can feel it and see its effects, but we can't really see it. On Pentecost weekend make a mobile that will be spun by the wind that we cannot see, only feel.

You will need:

- 2-liter plastic bottle
- Scissors
- Glitter
- Glue
- Paint
- Paper punch
- String

To do:

Cut a plastic 2-liter bottle into one long strip as shown. Decorate with glitter and paint. Punch a hole in the top and lace a string through it for hanging. Hang the mobile from a tree and watch the wind spin it.
