

## Daily Blessings ☺ ALL

Remind the children to give thanks to God for all of their daily blessings with this easy-to-make-blessing reminder.

### ☐ **You will need:**

Index cards

Ribbon

Markers

Pictures cut from magazines  
of daily blessings such as food.

### ☐ **To do:**

Give each child several cards. Ask them to think about all of the things that God blesses them with every day. Brainstorm with them: family, friends, food, clothing, homes, etc. Then tell them to draw or paste pictures of these things/people, one per card. Staple a loop into one end of the ribbon to serve as a hanger. Then staple the index cards down the ribbon. Encourage the children to hang their blessings in a place where they will see them and remember to thank God for them every day.
