

## Donations in Decorated Places ☺ ALL

Throughout the year we are always collecting items to share with those less fortunate. Decorate boxes, grocery bags, use baskets or even clean garbage bins to collect food, personal hygiene items, mittens, socks, baby clothes, etc.

### **You will need:**

- Cardboard boxes
- Wrapping paper
- Ribbon
- Pictures drawn or colored by the children

### **To do:**

Wrap plain cardboard boxes in wrapping paper to collect heavier items such as food, or hygiene items. Collect mittens, hats, and socks in garbage cans. Tie ribbons on the handles and tape pictures drawn by the children to the front of them. Collect baby clothes in large baskets lined with receiving blankets or at Christmas time use a life-size manger or cradle.
