

Live Your Faith

We are called to care for God’s creation. For each of the items in the chart, write a way people sometimes do not take care of creation. Then write or draw at least one way you can be a good steward of creation.

| | Ways of Not Caring | Ways to Care |
|---|--------------------|--------------|
| <p>My family</p>  | | |
| <p>Those who are sick or poor</p> | | |
| <p>The environment</p>  | | |
| <p>Plants and animals</p>  | | |

FAITH FACTS

➡ The Bible teaches us that the goodness of creation is meant to give glory to God. By seeing the beauty of creation, we can come to know God.

➡ Our souls live on when we die. They are reunited with our bodies after the Last Judgment, at the final resurrection.

➡ God gave men and women equal dignity. He created them for each other and to share the gift of children.

Words to Know

stewardship

caring for and protecting the gifts of creation that God has given us
