SUBSTANTIALLY IMPACT FINANCES

Our program not only substantially impacts finances immediately, but it also encourages donors to increase their giving over time, extending even beyond the initial 90 days. This complete solution is easy for a parish of any size. OSV includes design, layout, and all necessary materials and mailings, which relieves a significant burden on the parish.

Our all-inclusive approach is **bilingual** and can even be conducted by parishes that are unable to celebrate Mass in person, so no one will be excluded from the process.

If your parish is looking for a longer term solution, OSV also offers the **Financial Pledge Impact Program**, which is a 12 – 18 month process as well as our traditional **Parish Capital Campaign**, should your parish be looking to achieve larger or more long term goals.

EASY TURNKEY STEPS

1 Step 1/IDENTIFY TOP DONORS

Top donors are identified and are approached to be early adopters of the program. The Pastor receives guidance and coaching from OSV and training occurs on key points for discussion.

2 Step 2/IMPLEMENTATION

2.1/MAILING

Physical elements including a full color case statement mailing are sent out along with response envelopes.

2.2/IN-PEW PROCESS

Conducted by Pastor, he will explain the needs of the parish, discuss the importance of turning in a completed response envelope, and response envelopes can be distributed, completed, and collected at this time if they have not been mailed in. We also have tools and resources to accomplish this step virtually.

2.3/FOLLOW UP

At this time, a mailing is sent out to all families who have not responded to the initial send. This ensures all parishioners will have multiple opportunities to participate.

3 Step 3/RESULTS

Your personal OSV consultant will review results with you during the process as well as after the program. **Personalized thank you letters are sent out.**
