## EASY TURNKEY STEPS

### 1 Step 1/INTRODUCTION

Your parish team will receive a walk-through by your OSV Parish Coach with a video led introduction to the planning process.

### 2 Step 2/ GATHER YOUR TEAM

You will gather a Leadership Team of key staff and volunteer ministry leaders to meet with your pastor to help develop your plan for the future. This team will meet 3 to 4 times to develop your plan, present your plan to the parish, and then meet with our coaches to be a catalyst for implementing the plan.

### 3 Step 3/DEVELOP YOUR PLAN

Utilizing our Virtual Video-Led Workshops and Workbook, you'll discuss where your parish thrives and wants to transform in each of the four pillars: Prayer, Hospitality, Discipleship, and Evangelization. Your virtual coach will guide you through creating your goals, establishing milestones, and putting the plan together in each workshop.

### 4 Step 4/COMMUNICATE

A full color brochure communicating your plan will be designed, printed, and mailed by OSV to all households within your parish. **Spanish translation available**

### 5 Step 5/ONGOING COACHING

After your plan is presented to the parish, your parish will be assigned an OSV Coach to keep your parish focused on achieving your goals and reaching your milestones.
